About Me:

She is available for Men, Women, and Couples. Hello! My name is Senela , and I am a well reviewed, true Vip. I am the one you want when it time to escape the everyday stresses of your life. I have many different sides from elegant, to playful, to sensual, with discretion being of the up most importance! For me it is about the two of us being comfortable with each other, so that the fun can begin! I am very comfortable with my sensuality and would love to lavish you with my attention! I enjoy myself and love that I get to meet a gentleman who knows the pleasure that comes from connecting with the right companion. xx I am learning that it really is the simplest things like the kind words of a friend or a great meeting/evening with a gentleman who you feel honored to have met and spent time with, without the hassles of a relationship I can't wait for us to meet and I know you will agree that it was time well spent! Until then... :) xx Just to let you know, my beautiful cousin is here with me so you won't leave dissappointed in any case ;)
